

You are invited to the 5th Annual
Youth Aviation

Education Conference
at Brooklands Museum
Weybridge, Surrey. KT13 0QN

Saturday 21st April 2012;
10am – 4pm (start at 10.30am)

The aim of the conference is to present information and guidance on a wide range of opportunities for young people in aviation-related activities and careers, and the support which is available for them through a number of established organisations.

As an organisation involved in Aviation, we would very much like to invite you to be represented at the Conference this year. There will be an opportunity to make a short presentation to the delegates and exhibition space to set out your stand or display if required.

An important aspect of the day will be an opportunity for delegates to meet and talk with the people who deliver aviation activities through schools, youth groups, museums etc.

Lunch will be available in the Museum Cafeteria.

A brief tour of the museum facilities will be available.

Museum information can be found at www.brooklandsmuseum.com.

Last year's conference was a great success, with representatives from some eighteen organisations publicising their opportunities and activities in aviation.
